

Pastor Arrested for Molesting 13-Yr Old Girl, Lured Her with Dreams of Being a Singer

August 16, 2012 | Filed under: News | Posted by: Staff

A pastor in Shreveport, Louisiana has been arrested for doing things that alleged men of God simply aren't supposed to do. Andrea Louis is being charged with three counts of molestation of a juvenile. He is the pastor of Act on Faith Ministries, located in Shreveport.

A woman has told police that she had a relationship with the pastor when she was just 13-years old. The woman is older now, and is just now telling her story.

"I was deceived, you know. He used God and he used music, and those were the two most important things in my life at the time," she said.

The woman says that she wanted to get into the entertainment industry. She says that it was her trust in the pastor and commitment to her dream that made her fall in love with the old man. She was only 13 and he was nearly 40.

"It kinda crossed my mind that I would get in trouble if they found out, and that he would get in trouble if they found out, but he told me it was alright as long as I didn't tell anybody," she said.

The girl told KSLA News 12 said that the relationship continued until she was 24-years old. She says that she later found out that there might have been other women in the pastor's life.

The pastor is being held at the Caddo Correctional Center on \$300,000 bond. The police are saying that the may be other victims.

Some men and women can be trusted, but they must be held accountable (every step of the way).

It was'nt the church, it was a man that called himself a pastor.
And that is very different from it being the church. We must also hold
ourselves to some type of accountability. Although I am very aware of how
easy it is to be deceived at any age, however we should want what God wants
for us. And be more in love with Him than anything we may want or may
want to do in our lives. From 13 to 24 is a very long time, did she ever become
a star? And to say that the "pastor" is a scumbag, goes without saying. He deserve
whatever punishment that God and the law will allow.

But let us remember that God don't leave our lives to chance, its a matter of choice.
So lets chose Jesus today, tomorrow and forever.

I agree with you that the pastor was wrong to lure that child into such nasty relationship. But let's be real
about it, this went on until she was 24 ! Then she just now want to tell, after finding out there were other
women in his life? She may have been raped for 4 years, but when she matured she could have quit if she
wanted too. It is only jealousy and heartache over the fact that some others may have gotten what she
was getting. I'm sorry that happened to her, but if she had not found out about other women, she would
not be talking now." h**1 has no fury like a woman scorned !! That is what have her running of at the

God is the only one to trust..... That's why mothers and fathers need to teach their children to trust no one...
never let your children be alone with anybody without supervision.... Teach them if someone touches you in
any way that is not safe to tell. question them from time to time and see if they draw back....

I am a believer that anyone at any time can be touched, or handles in was not approated. Please , Please <Please
watch you children.....

This make me want to go for the heaviest prison term in the country.....

God you handle him while in prison.....

That was a moving testimony for God. What can you say to a thirteen year of girl who said "He used God and he used music, and those were the two most important things in my life at the time.". She was able to be taken advantage of because of the importance God she placed in God as she knew him. It is wrong of you to change the subject and try to make it about Peter questioning the existence of God and away from your fellow Preacher.

NOTHING BUT THE TRUTH!!!

Why do these negroids ALWAYS call on this god, but it took this god 500 years to 'free' them?

I'm beginning to realize; that these xtian negroids feel it's okay for this god, to continue to murder, kill, rape and maim Black people.

The caucaosid's god is the devil!!! And, this is why negroids have begun to act just like them!!! Isn't it amazing how this god protects that cracker by the name of zimmerboy, who shot Trayvon? Isn't it amazing how this god protects the pigs, who murder Black men, women and children? Isn't it amazing how this god keeps Black people at the bottom of the boat?

ES SALOAM ALEIKUM: What does that mean?

Your spelling is obnoxious and you should go get some more schooling, in writing, spelling and READING before you try to 'screach' to the people!! Okay?

I ain't mad at ya, but when you're a precha, you should at least know how to read, write and spell because you can't OVERstand the bible without READING it! The flock is already messed up; therefore, you can't tell them NOTHING until YOU get it together!

Revelation 1:3 reads: "Blessed is he that READETH..."

You'll always be a negroid, until you begin to OVERstand racism/white supremacy.

No caucasoid boy wearing a diaper, or a shirt and tie is gonna save or respect you. You can pray to a caucasoid god for the next 50 years, but you still will be a LOST SOUL with a wicked spirit.

Nothing in hellyweird (hollywood) is going to gain you respect! The caucasoid's educational system, nor your degrees or your entertainment center (church) will gain you respect. You will still be seen in the eyes of caucasoids, as just another negroid. No matter how large your bank account may be, that will not make a caucasoid respect you!

Black people, who respect themselves will not be lowered to be labeled and called a MINORITY or negro. It is inhuman to be called a MINOR, which is a code word for being LESS THAN AN ADULT!!!

What was the name of that song...RESPECT YOURSELF by the Staple Singers. THIS WAS A XTIAN GROUP, TOO.

RESPECT YOURSELF, PREACHA!

I'LL PRAY FOR, YA!

Correction, their God is Lord Lucifer who is the god of this wicked system of things; for instance, didn't the Devil try to tempt Jesus with all the kingdoms of the world if he would bow down and worship him? Look around and see whose in power and been ruling this world for the last 6,000 years! The "White man" So, your problem should be with this wicked race an not with blaspheming the God of Heaven, because whether you know it or not, He is still in control; even though it might not look like it! He's working in the midst of all the chaos that we see in this dying Satanic world! Now me myself! This is scandalous and so hurtful. These guys are going to the deepest darkest hottest part of h**l for the lies they tell in what is supposed to be God's house.

Yeah right. The lady who wrote that book hates all black churches and has nothing good to say about the good black churches are faithfully doing the Lord's work. Plus she's out to sell a book with the help of the goddess, anti-Christian mainstream media. On top of that, she's against the Black Church's stand on homosexuality and their opposition to Obama's endorsement of same s*x marriage:

"#4 with black folks being the most Christian and religious in the nation, it is shocking that they also tend to be the most judgmental and condemning of any ethnicity besides redneck Whites. Its like the two are twisted cousins, both hating on our President for no logical reason. The Christian black folks persecution of Obama over gay marriage makes me ill. They sit around pointing the finger and talking crazy when in reality most of the saved folks were slinging rocks, smoking rocks, selling their butts or doing other horrible crimes against humanity just a few years ago. Please shut up! If you hadnt been a mess up you wouldnt need to be saved so your opinion about gay marriage is laughable."

The Lord always weeds out the bad seed in the Church, as the New Testament points out.

CHECK:

You cracker xtians are some lying a*s heathens, and your little black sheep, that follow y'all, and this murderous religion are .too! Y'all talk all this god shy, but are the most jealous, envious, hateful sinners

on this planet!

Speaking of 'darkness'; the Black Messiah loved darkness (Blackness) and HATED the light (white people) because he knew your deeds were DEADLY, DASTARDLY, DEMONIC AND DEMORALIZING!

CHECK:

John 3:19 reads: "And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil."

Let me break it down for ya: "And this is the condemnation [disapproving judgement the Black Messiah had toward caucasoids], that light [caucasoids] who came into the world, and men [Black men] loved darkness [Blackness] rather than light [caucasoids], because their deeds [actions] were evil [morally bad or wrong; wicked; threatening or bringing misfortune]." -Minister Derrick

DO YOU OVERstand NOW?

BATTLE OF THE SEXES

"You can't have war between Black men and Black women, because no people can be free, if one half of the mind of the people, is tied up in conflict. It's going to have to be both of us or none of us!" -Dr. John H. Clarke

“Where was god when all of this was going on”

Answer: Existing in the ones of us that have made a sane choice to try to live according to instruction. I agree that there are some crooked Theologians out there, but one must study to show themselves approved. There are some good shepards in the world and this is not one of them, that does not make ALL Shepards bad. Salvation is freewill to anyone that want to receive it. God exist, look around.

But Satan also exist, Satan was cast out of heaven, for gathering a band of other angels together to rage a war against God, (hence the war of good and evil) and that war is still going on today. God was there when this young lady was being molested, raped, but satan was there committing the sin. God will help her to come through this just fine.

God was right that looking at you Derrick when Satan advised you to typed in all that ugliness here, and when you blasephmed God.

When people have sick minds, and are determined to commit such an act, there demonic spirit will take over and allow them to act on it. Since you praise this man so much, you all can be frineds.....In h**l.

The legal system will deal with him as it should, and the Bible is clear about delegating law enforcement to secular authorities. But God's thoughts are not your thoughts, so worry about your own sins, for your words show there are many. Derrick we love your rejection of lies and acceptance of the Truth. You are an adamant Truth Seeker. Therefore, get Knowledge, Wisdom and in all your getting, get Understanding. You remind me of Saul/Paul before He was struck on the way to Damascus. We People of Almighty God do not have to be perfect, but we must represent the Truth of God Almighty's Kingdom. God is too Righteous to turn His back on anyone. Even the Son who squandered His inheritance among swine knew the process of returning home to His Father.

We pray that this process is used for all of us who find ourselves eating among swine. Truly, we know that the Love of God Almighty is available to all of us, but very few choose to embrace the Church of God that is inside all of us, but rather sit in a building and ignore that Master Building inside all of us. God Almighty is not a God of hatred. Before the True Justice of God Almighty destroy Mercy boldly steps forth and say "Here I AM". The I AM that is in all of us is powerful. We can take that I AM and squander IT among swine, or use it wisely to help build God Almighty's Kingdom. Derrick, my brother, for OUR sake help us build the Kingdom of God Almighty, OUR Father so that we can all LIVE.

Thank you for your compliment and for your encouragement.

I only speak what God give me.

I am soooooo glad God gave me a second chance to serve him and to live in His presence. I will never deny Him and say that He does not exist. As a matter of fact, I am really afraid to be in the presence of a blasphemist for too long. 😞

Never did I state, that I praised this punk a*s precha! You're another NIGorant caucasoid posting lies, right in front my people!

The spirit of the devil [this screcha] is responsible for his own g*****n actions! He committed these acts; not this false god, who ain't up in space! Many are called, but FEW are chosen! All these b***h m***a/fukas, who talk about they're CALLED to preach are a bunch of liars, just like YOU! Were they called on an 800 number...1-800-CALL-2-LIE???

That's all these lying a*s serpents are doing is LYING to you weak a*s negroids and caucasoids, while keeping you mentally enslaved!

Revelation 6:8 reads: "And I looked, and behold a pale horse: and his name that sat upon him was death, and h**1 followed with him...And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with the beasts of the earth."

Let me break it down to ya: "And I (The Black Messiah) looked, and behold a pale [white] horse: and his name that sat upon him was death [bloodshed/death/murder/wickedness] and h**1 [white fallen devils on earth] followed him...And power was given unto them [white devils] over the fourth part of the earth [the four corners of the world] to kill by sword, famine and plague, by the wild beasts [white demons] of the earth." -Minister Derrick

If you notice these caucasoid demon/devils are trying to take over the FOUR CORNERS OF THE EARTH by SWORD (guns), FAMINE (poisoning the food supply), AND PLAGUE [diseases such as; aids/cancer /diabetes/heart dis-ease and high blood pressure] that affects BLACK PEOPLE more than any other race!!!

Most important of all the Bible has plenty of warning to beware of false Prophets, wolves in sheep clothing and whosoever causes another Christian to stumble it will be better for that person to attach himself to a big rock before drowning himself in a river.

Jesus Christ cares about His Church, they will pay for their sins and you too will pay for your blasphemous rants.

THEY CURSED AND HAD s****1 OVERTONES IN THE bible!

PROOF:

Romans 14:22 says, "... Happy is he that condemneth [DAMNED] not himself in that thing which he alloweth."

Webster defines "condemned": to declare to be wrong, but the much more serious and eternal "d**n": "to condemn to h**l".

Philippians 3:8, the Apostle Paul used the word 'dung' instead of 'shyt':

"Yea doubtless, and I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord, for whom I have suffered the loss of all things and count them but DUNG, that I may win Christ."

Ezekiel 23:19-20 reads: "Yet she became more and more promiscuous as she recalled the days of her youth, when she was a prostitute in Egypt. 20 There she lusted after her lovers, whose GENITALS were like those of donkeys and whose emission was like that of horses."

Nah, nice try. I think most regular people know what illicit profanity is, and you practice it regularly. The Lord has the right to condemn unrepentant sinners and blasphemers to the lake of fire, which is reserved for Satan and his devils. So as a warning, don't go some place that was prepared for Satan, for man was not meant to go there. But those who are proud of their blasphemies and sins like you are on that path. God is as real as the air I breathe. I can not see it, but I have felt it, lived in it, lived by it and nothing anyone can say can change my mind about it. I know there are several religions out there. Religions are simply a way a person chooses to worship the God above. I do not claim to be under any particular religion. I do believe that people have gotten too caught up in their religions and worshipping their pastors that they have forgotten about the relationship with God above. I do not believe God can be put into a box of being black, blue, red, green, yellow, white or brown. I choose to worship with other like believers because I have seen the evidence of God in my life and choose to show others God using me. I will pray for you and others like you who are still lost and have not known what it is truly like to have a relationship with God, not man. There are people who are truly ordained to teach and I will agree that there are also individuals who have exploited those searching for that relationship and to learn more about the only One who can love them like they need to be love. Sad, but true. I will not deny that there are cons out there and that is why we have to study the bible for ourselves to show ourselves approved and know who to trust and who not trust. As stated, I truly hope you find that relationship with God, not religion or any person. Its a process, just as any other relationship. I hear so much anger in your remarks and I pray for peace in your heart. God bless you.

Don't allow your view of the church to be skewed by the media. If you notice, the godless, anti-Christian media only puts out bad news about bad preachers/ministers. When was the last time the same demonic media put out any good news about the less fortunate churches giving their last dollar to shelter a homeless abused single mother who had to escape her abusive man? Where is the media when a church has a fundraiser for a stage 4 cancer patient? I think you and I know the answer. Here's a rule of thumb: for every bad preacher the media puts on blast, there are 100 others doing the best they can with little resources to help the flock. The media is part of Mystery, Babylon the Great, spoken of in Revelation 17.

Why is this woman just now revealing this story. It doesn't take anyone 11 years to know when something is not right. The pastor is wrong for his actions and she is wrong as well. Is this an act of retaliation because everything has not gone the way one expected or wanted things to go? We must keep in mind that we serve an all-seeing; all-knowing and all-wise God and we will all stand before Him one day and give an account. h**I enlarges itself daily and heaven is a prepared place for a prepared people. It is time for all of God's children to get it together because we know not the day nor the hour when He shall return. God is not mocked; whatsoever; we sow that shall we also reap.

You are basically correct in your comment, but keep in mind, she was 13 when all of this started. This demonic non-preacher poisoned her mind all that time at an impressionable age. I've known many women who have had bad things happen to them at very young ages and it messed up their perception of right and wrong in certain areas of their lives and I prayed for them. Exactly. It kills me to see black women blaming children for their violation. At 13 she is a baby. I also know dozens of women (some in my own family) that were molested as children and they were so destroyed by it they never told a soul until they were in their 30s or even older. There is a lot of shame, plus men and women in their lives that should have been protecting them instead point the finger of blame and accuse them of being a willing participant, of wanting it, of liking it, of seducing the adult male, all kinds of c**p. It's embarrassing to see and hear.

Oh and there is no fake god to take their sins away. It is most unfortunate that where ever children are found their is the tendacy also for the presence of pediphiles. Parents should be mindful of this and vigilant to watch over all children. The lady coming forth with a story of victimization from childhood is an often occurring issue. Often a "relationship" is formed by the victim with the pervert. As an adult when the pervert is apprehended,the victimized individual will feel at ease to acknowledge the criminal activity.This will give evidence of how long this perverted individual when judged to be guilty has been active in this deviant behavior. Oh by the way self deception can also transition into other extreme deviant behavior. All of mankind desire to pull to themselves a following. As this is human behavior to want others of like mind. All desire to "recruit" to themselves that which they believe to be a greater or higher truth. Hitler was a master at lies and even deceived the Roman Catholic Church to silent at the killing of millions of Jews. I feel my brothers pain. But I'm born-again and have been delivered from self deception and know that God the creator of heaven and earth is real. But one of my favorite verses is "a fool has said in his heart there is no god".

Something is wrong with this story. Why did the girl/woman just decide to come forward? Something must have happened that hurt her more than the molestation. How long did she think it was going to take that so-called pastor to help her realize her dream of becoming a singer? They both should be arrested. Two wrongs don't make a right.

Just because he speaks Gods word doesn't mean they're all good. Even Satan knows the bible. And uses it for his well. Believe in the word but you still have to watch the teacher. Sunny Johns, I am in agreement with you that Derrick has made some valid points. I agree with him that the Black church is an entertainment center where the screechers put on a show for the congregation and he expects some tax free money after the show. He says give your money to God, but he is the one taking the money and doing as he pleases with it. The Black church is one of the biggest organizations in the United States, but it does precious little to help the Black people. The church has an opportunity to focus on sponsoring young people who want to attend college, or to adopt a needy Black family, or stop foreclosure proceedings on some of their members. The Black church continues to be small minded with things like who has on the best pair of designer shoes and handbag, or the latest model car. And yes, who shouts with the most enthusiasm. The screechers are both educated and uneducated, but it doesn't take much to have people part with their money when it is done in the name of the Lord. Remember, "A fool and his money is soon parted". I don't care for the remark that was made by Derrick about gays. Every family has a gay relative and they are loved very much. Have a heart derrick!

All of these folks saying that the bible teaches you to put your faith in God and not humans. But doesn't Christianity teach that the way to God is through priests/pastors/preachers? That they are the ones to spread the word to the people?

Ha! That's why I don't practice that mess, it always contradicts itself!

There has got to be something wrong with it because you only hear about this mess with 'Christian men of faith'. I have yet to hear about a Buddhist monk or Voudoun priest priestess molesting their followers. That's just one reason I turned away from that faith and am strengthening my spiritual relationship with Spirit through traditional African methods.

As far as this story, clearly this 40 year old man has committed the crime of molestation. But at the same time, she was old enough to have told on him way back when he first hit on her. Sounds like she was ok with it until she found out about other women or until she finally realized he was not going to get her to Hollywood.

She probably has issues herself and needs help. But to let this go on for 11 years? Did he threaten her or her family and friends? Was she in fear for her life? It doesn't sound like it from her statement. She said he just told her it would be

better if she didn't tell.

Yes he committed a crime and needs to be punished, especially because there were other women. Who knows what age these women are. He sounds like a serial molestor/pedophile, and at least he's been stopped for now.

What are you babbling endlessly about? Your silly comment shows why unbelievers should not try to read the Bible or understand the Christian faith without the Holy Spirit. The way to God the Heavenly Father is through Jesus Christ, not ministers. Ministers are more akin to coaches in pro sports. They prepare us for the "game" but Jesus is the one who recruits us. Got it now, angry one?

Also, your comment about Christian men of faith being the only ones you hear about doing this shows your infantile mind is way too dependent on the godless, secular, anti-Christian media. There's a reason you seem to only hear what you hear: you only tune in to anti-Christian media sources. Some men of the cloth of all religions have done similar and worse things. So turn off the TV, push your computer aside, and go out and meet real Christians and ministers.

I agree with you Tonya (partially). There's more & more things happening "among" the Church. The problem is the people "The true followers of Christ" see things & people that are wrong & not LIVING in accordance to the Word of God yet REFUSE to STAND UP FOR GOD because they like how he OR SHE preaches, how they sing or acknowledge them. People are AFRAID to be the REBEL against anything that is not like God, thus, everything & everybody sneaks in. @Derrick. You have a right to be angry! However, it was Satan that entered the TWO. So your anger should be geared towards Satan. Yes, God knows & sees all; however, His mercy is what's restraining his fury. If God decided to act when we feel He should then He wouldn't be God, we would be. Further more, there's a list of recompense on the list wat before this preacher. God will repay EVERYONE for their sins, not just one. One more thing, Jesus was not & is not white. READ THE BIBLE FOR YOURSELF. View the world map and research the culture & country: Egypt, Jerusalem, Galilee, Bethlehem. More importantly, there is NO COLOR in the sight of God. He created us all. CONCLUSION: This entire blog & others like it is a way for Satan to initiate confusion among the people when WE ALL SHOULD BE STANDING UPAGAINST WRONG (From Derrick to Voice of Truth to Follower of Christ). We can prevent things like this from happening. Stop bashing each other and go after the real enemy. If we choose to not stand up for what right in your local church and cities than we shouldn't be surprised when this type if news hit the headlines. People, be proactive and not reactive. Be blessed.

Hi Tonya, I respectfully and humbly beg to differ with you on one of your points. Christianity teaches the only way to God is through Christ Jesus, no preist or pastors or men as you have said. Now the word of God is spoken through these channels, but as many have said on this post, we are instructed to study to show "ourselves" approved unto God, so every Word spoken from the mouthes of Pastor's and Preist should be compared to Word of God to see if its right or true. However, I do question her reason for coming out with it now 11 years later, what was her true motive. It's sad and I agree she should be punished by the law and he will definitely receive discipline from our Father in heaven!

This is not the first time we have heard of people being manipulated by the Clergy.. The victims have the idea that they will be blamed because everyone thinks the Pastor is an Innocent. Before they are Pastors they are men and we know the flesh is weak. You can see the look on the face of some of the preachers when they look at the children .. The predator knows his victim.. it is a shame. I pray the Children and Adults affected by these types all get the courage to expose the people who are molesting them. Especially young children they may have been threatened into believing something will happen to their family or themselves.. you just have to keep you eyes open and not be trusting of any Adults that want you to leave your children alone with them.. In my old neighborhood there was a candy man.. sold candy at his house but only wanted the child in the house one at a time.. that sent up a red flag for me. I did not let mine go in his home. and I let the other residents know he wanted the kids to come in alone.. now open window so you could see what was going on or anything and he wanted to close the door.. NO. there is something wrong when a person does not even want the parent to come in and help the child pick out what they can buy..that old pervert was not allowed to sell candy anymore in our neighborhood because no one would buy it or let their children go to his house.

The relationship with God is the most important but it more to it than "I love God". Pray that God will lead you to the right body-of-members. It mat not be a physical church. It may be gathering in a friend's home to speak of the goodness of God. God is not impressed by the music, dancing & shouting. He's impressed by how much we really love Him, serve Him & live for Him. 'All this story proves is church is not a necessity. "

I like your zeal for the Lord, but you have to consider the parables Jesus spoke about the Bride He is coming back to marry, and that is the Church. If you feel that you are truly blessed by the Lord, then you should run to a local church and be an example to others there so that your faith will strengthen their faith. Not all ministers are bad, only the anti-Christian media keeps putting out stories focusing only on the few bad ones so that you are conditioned to think that all churches are like that. I know many churches with little resources who are feeding the poor, raising money for the medical expenses of the poor, helping abused women and children find shelter, helping ex-cons find housing and work, and so on. These stories will NEVER appear in the media because Satan runs them. But let your light shine in every church you think needs shining. And watch how those churches respond to your witness. Amen.

All men are animals first and humans second..Actually we are human-animals! As human animals the 'males' of our species are programmed to populate the earth..Age of the female is not supposed to matter to the male species. Civilization and all of it's nuances has put restrictions on the male human animal, but laws and rules of civilization are not enough to stop the mental/physical drive of 'most' males! The age restrictions of a female varies from nation to nation, culture to culture, etc..

Here in the US each state has it's own age limits. Some states legalize '16' as the age of consent. In some countries girls are legal at very young ages!

This man is just as insane and driven as every other man on the planet! His ability to control his desires were more than likely diminished by his position around very young women and girls.The Catholic priests who's position around boys are just as overwhelming! What most people do not understand is these men are doing exactly what their ancient animalistic drives/DNA literally command them to do. Most men fight off these desires and some men have been conditioned enough to find these emotional/physical drives reprehensive.(In certain parts of the world men are molesting young girls (during war and for various reasons, in mind staggering numbers!)

This Eurocentric social-construct has taught and/or ordered, a lot of people who don't belong (assimilated) here, to harness their cultures, traditions, and native drives. Even when the Anglo-Saxon (Caucasians) who created and enforce these rules/laws are not able to harness these drives themselves.

The bottom line is that this man is being punished because he could not control his 'natural-animalistic' desires in this particular society which limits the age of consent to certain specific ages.

Today's women have been caught up in similar s*x-drives which open them up to civil persecution. The female human-animal is driven to procreate with the male species, and though age is not supposed to interfere with their drive, there are (imposed) age restrictions for them too!

His problems reflect many of our "black community's" problems:

The efforts needed to help us get to where we need to be, would take decades of psychiatric work, and trillions in financial aid for the total forty-five million of us, including those who have become very wealthy!

We have a number of problems that cut into our unity and healing processes deeply. Psychologically we have been in limbo/shock for centuries! The psychological treatment we all so-desperately have needed in the past, and now, is not forthcoming! The reparations/compensations we deserve have been refused us. The loss of our culture, heritage, traditions, languages, and African land ownerships etc., have all, long been stripped away!

We are a people who are constantly set upon by the 'white-power' social-structure and their "elite ruling-class", Their blatant daily abuses go unpunished. In fact they constantly conspire to keep us in a bad place! We suffer from many diseases (known and unknown). We lack strong unity and prey on each other, as whites prey on us! Top all this off with our assimilated "American" mindset we are left to adopt, of selfish greed etc, and there is nothing we as a so-called "community" can expect to bring us unity, sanity, and strength over our deceptive Anglo-elite and their violent hoards!

It is now even quite ludicrous to expect "blacks" who have "made it", to have the proper 'mental' direction, motivation, strength, or enough selfless-care for [all] the "community" to focus their wealth to help all of us who need it more than we even realize! The efforts needed to help us get to where we need to be, would take decades of psychiatric work, and trillions in financial aid for the forty-five million plus of us, including those of us who have become very wealthy!(They are also mentally unstable). But "whites" are not having it! (Whites are overwhelmingly mentally unstable!)

This is how mentally, physically, and financially destroyed and depleted the white-dominant social-structure and their "elite tyrants" has left us all!

One day my people, we're gonna learn that the bible ordains all fathers to be the "spiritual leader of his own family and that giving another man authority over our households is not what pastors are for. No one is willing to teach "our" men what it really means to be men, which is where these crooks come in. For Christians, remember the scripture that talks about "first tying up" the strongman(head of household) and then the thief spoil his goods(Mark 3:27). These men overpower the household(family) of hundreds of thousands of "brothers" by portrying the role that they are where they are because The Almighty chose them to get every other man on earth in check. But if we sincerely look @ these "wolves in sheep's clothing" from our natural eye, we see that they really don't have the power to govern their own families (1 Timothy 3:5). No man is supposed to come in between our marriages(Matthews 9:6). God didn't tell anyone else to be an influence to our children but us(Proverbs 22:6). It is the teachings of slavery that cause many of us to fear confronting the truth we see. It is that fear of not measuring these "false prophets" on the same level as us that allows things like this to happen. Despite who that man says he is. Despite how many times he tells us that God sent him to be our all powerful ruler, they too are human and should be judged according to their fruit (Matthews 12:33). Rather than given these men royal honor and making them rich, the ultimate message is about making our men real heads of households. Not letting any "Charlie" who rents or buys a building and starting a religious organization, subtly take control of our homes. This story is sad but it's bound to happen again and again until we learn to put man in their rightful place and stop allowing everybody proclaiming to be sent, rule us. There is no respect of persons with God (Romans 2:11). No man is greater than the has he leads.

Good points. By responding, its not necessarily for Derrick's sake, but for the sake of those who read and are unsure or are wavering. They need to have both sides of the facts rather than just one side that might derail them. Derrick's philosophy, which is mostly self-taught, is based on black supremacy, which is just like white supremacy. The principles of black supremacy are fairly widespread among some circles in the black community so it is good to present the truth when this doctrine of demons rears its head towards the newer members of the faith who are not spiritually mature.

Is it because we as a people hold church as being our salvation instead of understanding that God is the true salvation. Anyone can become a preacher just like anyone can walk into a church. It is important to question religious beliefs and since we are nested in a country that promotes Christianity we must question everything about it, the overall belief in a "God", and why humans are so easily indoctrinated into the whole thing!

I have questioned Christianity, the belief in an omnipotent being "God", why and how it began, and why it continues today after humans have gained so much knowledge, and have dropped so many other superstitious traits.

I question why it (the belief in God) is needed here in the US and why it is constantly pushed on people around the world even when they already have their 'own' superstitions, notions and beliefs.

We are nothing but animals, but these "beliefs" help us to think ourselves special and more important than any other species on the planet. In the same way some humans think that they are better than the rest of us, and some who were lucky enough to be wealthy and privileged think they are better than those who were not as lucky. I question religious beliefs.

I question Christianity. I question why humans must have a "God"! Most of all I question what is wrong with the human race!

Your mission should you accept it is to think deeply and research everything which affects your lives, but most of all question why you believe the things you do and how it came about that you started believing. For instance I was conditioned into these things as a child and It has been reinforced by the constant input from those all around me and the national media.

People still knock on my doors and stop me on the streets to reinforce these psychological religious/spiritual/God notions. Yet they will not listen to me when I try to tell them that what they "believe" is not real! I can not go door to door or stop people in the streets to inform them that their religious and "God" beliefs are nothing more than an ancient elaborate hoax!

And what invisible hand of history has decided that once man gains so-called "knowledge," that God becomes less relevant? What theory is that nonsense based on? Jesus is simply based on love for man and for the Creator, that's it. If that's too heavy for you, then so be it.

Why do you try to explain the truth to the blind and lost? They will never get it because they are so brain washed that their minds cannot conceive what you are telling them. You could have all of the proof in the world and they would still rattle off bible (bible) verses and proclaim love to a false god. They are still slaves in their minds. Remember what our ancestor Harriet Tubman said about freeing slaves. If they don't know they're slaves, you cant free them. The truth is Christianity was the reason their ancestors were brought over here as slaves. This religion was beat into them and what they don't remember is that the slaves didn't really believe in that BS that they were forced to worship. They secretly replaced the saints they were forced to worship with their African deities. It got lost through the generations and now you have these fools ready to fight you for not believing this c**p. They have to be deprogrammed and I don't have the patience or time to try. Instead of arguing with these dummies, wasting precious energy, get with conscious people that have a brain. These fools are going to keep on believing that some one is going to break through the sky and save them even when the truth in in their face. I have tried to explain it to people and it's not worth it. You cant save people that don't want to be saved, so save your breath brother.

People must watch over their children, do not trust anyone. I had a situation when I was 12 one of the pastors sons, even though he was married. He would always kiss me with his tongue going in my mouth. I was young I didn't know how to respond. I had other married men kiss me on the mouth but none of them dared to stick their tongue out. Years later at 16 I started going out with a guy brother. He was still doing the same thing to me and all the other single girls in the church. We just laughed it off at the time, not realizing the danger. When I told my boyfriend what his older brother was doing to me and the other girls in the church. He didn't know what to do either, he spoke to another guy about the situation and the guy had a useless talk with him because he continued to do the same thing. I eventually married my boyfriend. Within a year of my marriage, his older brother and I had inappropriate contact. It happened again a year later. I told my husband the same day it happened on both occasions. He never confronted his brother. He and I kept going to church and hugging his brother after church. I talked to my husband about getting a divorce because of what I did and we could make a clean break because we didn't have any kids. He said he forgave me. My brother-in-law's wife found out 5 years after the incident when my husband told her during that whole Clinton - Monica Lewinsky period. A year later the major characters in the church found out and that was the beginning of the end of my marriage. Once these people found out they were upset that my husband had forgiven me. They kept telling him some things could never be forgiven. So after 18 years of marriage, 32 years of knowing this guy. He is calling me all kinds of bad names in front of our 3 kids.

are being raised in a broken home, my husband has turned to p*****y and doesn't speak or touch me

And he is the pastor. Too make a long story short. These people who prey on the young and innocent cause have in peoples lives for many years. I am a living testament to that.

Just a few things.

One being the appalling standard of journalism nowadays. A ten year old dyslexic could have written a more eloquent article.

Another being the fact that I finally find myself almost agreeing with Derrick (which is frightening me!). Christianity AND Islam have for thousands of years been vehicles of superstition and fear which have allowed evil men to control the lives of their "believers". These men have preyed upon peoples' superstitions in order to achieve power and control over them, either overtly (as in the case of the particular pastor in question) or more subtly by revealing their "divine-inspired insights" into what God/Allah wants ("what God/Allah really means by this scripture/verse is....." insert here whatever you like....e.g. you must eat only fish on Friday (unsaid, because my family are fishmongers and it will help their business) or "if your wife disobeys you you must beat her" (unsaid - because that's what I do, and I find it most effective in convincing her of the wisdom of my domestic rules).

Until people start thinking for themselves and cease to allow themselves to be brainwashed, and thus CONTROLLED, by digesting this superstitious hogwash, then NO-ONE will have true free will.

I am simply devastated at the loss of her childhood by a person that she trusted to have her best interest at heart. To often this happens in churches. I have started a facebook group called Touch My Heart Instead-Church Hurt. I welcome you all to join.

I'm not justifying anything done by this pastor, but here is the reality. If this was going on since 13, something should have been done before she became of "age". She is 24 years old now and lived life making her own choices. As a child she did childish things, but at some point you become an adult with goals and ambitions. By the time she was 18 or even 21, she should have been able to figure out that she wasn't going where her "boyfriend" was leading her. Again, I am not condoning what happened, but 11 years later as an adult, you finally "come out" telling your story. I don't know when she "broke up" with this man, but as time has gone by and you have moved on, why bring this up now? It does no one, not even this woman any good. I'm sure the concious has been eating away at this man, which is karma itself. Don't read this comment and take it out of context. I'm just saying, why put your business out there in the media as a grown woman, who probably consented after knowing she was being done wrong. Again, I am not on the man's side in the least bit, but trying to understand why bring it up now?

We know that many who say they are Truth Seekers are simply looking for something to find a reason to hate. Trying to save us with our "own truth" is not fruitful. To separate ourselves from the LOVE of God Almighty because we believe that we know another way to LOVE is not the work of God Almighty, but is another distraction of the adversary. Our ASSETS are not the product of a particular group of people, but is the TRUTH rooted in the principles of God Almighty. Building a relationship with God Almighty is not contingent upon any one individual, but we live because we have our being, live and breathe by HIS POWER. The TRUTH can not be caged with lies. The TRUTH brings LIGHT. We are not capable of knowing the TRUE TRUTH without respecting the Universal PROCES\$. Universal Process opens our ears so that we can hear and opens our eyes so that we can see.

Ask and it shall be given. Blind eyes WE command you to see and deaf ears WE command you to hear. PEACE BE STILL!

I can't beleive that no one noticed anything,I mean he can't be that slick and even so,a 13 year old is certainly not! People get your head out of the sand and remember, these pastors are only men,and the Bible says , put your faith in no man. I think the congregation needs to check out the rest of the good brothers in the pulpit, because unless they're all stupid, they either condone or participate in this same type of behavior on some level, mentally if not physically. LET US GET REAL; if baby girl figured out he was tapping another tennybopper [which is why she turned to begain with], you could never make me beleive that no other member especially the men around him felt or saw anything. If this behavior is what you beleive is right at your place of worship, then do what you do, but please stop calling it a church, stop calling yourselves pastor, and stop evoking gods name to get unknowing people to attend, because some of us will hurt you first,and ask forgiveness later for molesting our childern. I'M AM SO TIRED OF HEARING THESE STORIES ABOUT THE PASTOR AND THE LITTLE GIRL.

I know that all of these stories are not ture, but it's been proven that a lot of them are. What's done in the dark, will come to the light. So to all of you people who think that every body's a fool but you; live long enough, and you'll find that you're wrong! And if you don't live long enough you,ll know it when you're standing at the gates of h**s!

That's why I DO NOT GO TO CHURCH ANYMORE!!! I love JESUS, but there are too many sheep in wolves clothing. Preaching the word of God and twisting it so they can pay for their rent, new car, mortgage of their house. Especially if you are Freemason Warlock and an Eastern Star WITCH like my parents were. I ask God to help me I do not trust pastors, churches and the people in it. I feel that the majority of pastors are all liars. I read God's word and meditate on his word. Even though I am not in church he has blessed me. I have found 2 pastors that are REALLY TEACHING THE TRUE WORD OF GOD. AND THEY ARE IN ANOTHER STATE! I feel like some churches has FAILED THE BLACK COMMUNITY!!! POINT, BLANK, PERIOD!!!
